

Northside Suburban Little League (NSLL) Spring 2012 Registration Form

NSLL, is a chartered, non-profit, 501 (c)3 organization through Little League International and is 100% run by volunteers. Please read and sign below. If you live in our boundaries, you can expedite Registration by mailing all 4 pages of the registration form, your registration check, and COPIES of your child (ren's) birth certificate and 1 proof of residency to our PO Box. By Friday, January 27, 2012. Do not mail after this date.

1. As you can see from the cost of Registration, we are 1/10 of the cost of similar programs that pay their staff and coaches. With that said, It is important for each guardian registering a child with NSLL to understand that the registration cost you are providing is important and appreciated, but not enough to provide the facility and games we play without asking for you to volunteer in some capacity. Whether you decide to run for the Board of Directors of NSLL (and we need people to run) or if you are going to keep a pitch count during games, we will need you to volunteer this season. As a given, we will need you to work one game day for "field duty" which is the team on duty for the concession stand and trash patrol. Your Manager will assign these times. In the Spring Season each team works two field duties. 5 adults are needed. With a team of 10 or more, all the adults will only need to work one field duty per team. Please work with your Manager who is volunteering a tremendous amount of time to Coach your child.

2. NSLL is restricted by Boundaries approved by Little League International. See following page to review the boundary map and mark where you live, or you can review it by going to our interactive map, go to our "Boundaries" Tab on our website; www.sanorthsid.org You must live in our boundaries to play at NSLL. Get with the Director of Registration to ensure you are iid if your property is not in our boundaries. You are accepting responsibility that you have properly documented the location of your property, and that you live in our boundaries. We will not refund registration cost if you have improperly registered with NSLL.
